MAPLE FURNISHERS

Restaurant Collection.

Four restaurant directions — supper club, earthen, izakaya and oriental — every piece bespoke, built in our Delhi workshop.

Shaped by hand

We listen to spaces. Every curve, joint and finish begins with understanding how a room wants to feel. Then we build the chair it's missing.

100% Bespoke.

No design is too complex. Our craftsmen shape what others won't attempt. Every detail engineered, every challenge welcome.
