Maple  
FURNISHERS

Where  
minimal design meets  
**timeless craftsmanship.**

Every bed is made only after  
**it's ordered.** Nothing is kept in  
stock — **nothing is rushed.**

## A B O U T M A P L E

# Slow mornings, built to last

**We build furniture for rooms, not for photographs.**

A bed carries a third of your life and none of your audience — so it doesn't need to perform. It needs to hold up, night after night, without asking for attention. That's the only luxury we chase: the kind you stop noticing because it never gives you a reason to.
