FURNISHERS

Where
minimal design meets
timeless craftsmanship.

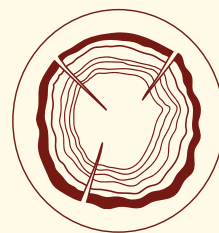

Every bed is made only after
it's ordered. Nothing is kept in
stock — **nothing is rushed.**

A B O U T M A P L E

Slow mornings, built to last

We build furniture for rooms, not for photographs.

A bed carries a third of your life and none of your audience — so it doesn't need to perform. It needs to hold up, night after night, without asking for attention. That's the only luxury we chase: the kind you stop noticing because it never gives you a reason to.
